---

**Objective:** I am a Registered Respiratory Therapist. I have been a Respiratory Therapist for 12 years. I have worked in all areas from Critical Care to Pulmonary Lab. I assist doctors and nurses in all patient care areas. I am self-motivated and driven.

**Skills:**

- Organized
- Driven
- Self-motivated
- Hard working
- Good communication skills
- Always willing to lend a helping hand
- Problem solver
- Time management
- Team work

**Experience:** Ochsner Health 08/16 to present

As a Respiratory Therapist in the Pulmonary Function Lab, my duties are to perform pulmonary function tests, bronchospies and other diagnostic testing. I am the information technology liaison for our department. I troubleshoot and diagnose problems with software and the computer systems.

North Florida Regional Medical Center 08/08 to 07/16

As a Respiratory Therapist at this facility my job duties included taking care of patients in Med/Surg floors, Intensive Care Unit, Labor and Delivery, Post Anesthesia Care Unit, Cardiac Intensive Care Unit and Emergency Room.

Publix Super Markets 06/01 to 08/09

I was a Pharmacy Technician at Publix. My duties included filling prescriptions, managing inventory and communicating with doctor offices.

**Education:** Respiratory Therapy  
Santa Fe College  
June 2008
